

THE COST OF DISCIPLESHIP

Sunday, May 28, 2017

Mark 10:17-31

Questions to ponder:

What is the most expensive thing you own?

How much thought went into purchasing it?

How much would it take for you to part with it?

Reading and understanding:

Mark 10:17-31

What must a person do to make it to heaven? Don't answer too fast!

Is this inconsistent with Ephesians 2:8-9 and John 14:6?

What does it mean to truly believe?

How expensive has your belief been?

How costly is your discipleship?

**With Christianity, like with most things,
you _____ what you _____ for!**

Praying Together:

- Thank God for the gift of salvation for anyone who believes!
- Pray that we have the strength to pay the high cost of belief.
- Pray that many would see the immeasurable reward of discipleship and put their trust and belief in Jesus Christ as Lord and Savior!
